# SENTENCE #1

## Simple

It's important to have a job that is safe and one that makes you happy.

## Better

Job security is an essential aspect of employment, however, job satisfaction is also crucial to consider when evaluating one's overall career satisfaction.

## Best

While crucial, attainment of job security should not be considered in isolation, as job satisfaction plays an equally vital role in determining one's overall career fulfilment.

## SENTENCE #2

### Simple

Buying from local stores can help the area's money stay in the area.

### Better

Supporting local businesses can not only contribute to the growth and development of the local economy, but it can also foster a sense of community and promote the preservation of unique local offerings.

### Best

Supporting local businesses not only stimulates economic growth and development, but it also cultivates a sense of community cohesion and preserves the unique characteristics of a particular locality.

## SENTENCE #3

### Simple

Different cultures have different ways of raising children.

### Better

Parenting styles are not only influenced by individual beliefs and values, but also by cultural norms and practices.

### Best

Parenting styles are not solely determined by personal beliefs and values, but are also shaped by cultural norms and practices, which vary considerably across different societies.

## SENTENCE #4

### Simple

If we send messages to space, aliens might not understand them.

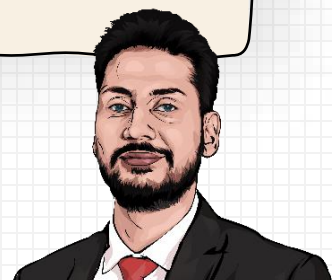

### Better

Sending messages into space may pose challenges in terms of interpretation and understanding, as we cannot be sure of the cognitive and linguistic abilities of extraterrestrial life.

### Best

Communication with extraterrestrial life forms poses a significant challenge, as the potential for misinterpretation and misunderstanding is high due to our inability to comprehend the cognitive and linguistic abilities of such beings fully.

## SENTENCE #5

### Simple

Taking care of plants and animals helps you learn how to take care of things.

### Better

Cultivating vegetables and keeping animals can not only provide food and resources, but it can also teach valuable lessons in responsibility and care-taking.

### Best

The cultivation of vegetables and the maintenance of animals not only provide sustenance and resources but also impart valuable lessons in responsibility and stewardship.

## SENTENCE #6

### Simple

Families can be made up of different types of people.

### Better

Families come in many different forms and configurations, and can include traditional nuclear families, single-parent households, blended families, and more.

### Best

The traditional nuclear family structure is not the only form of family, as there exists a plethora of different configurations such as single-parent households, blended families, and more, that should be acknowledged and respected.

## SENTENCE #7

### Simple

Music from other countries can help bring people together.

### Better

International music has the potential to serve as a powerful tool for bridging cultural divides and promoting understanding and appreciation of diverse cultures.

### Best

International music serves as a powerful medium for breaking down cultural barriers, fostering understanding and appreciation of diverse cultures.

## SENTENCE #8

### Simple

Technology can make the rich richer and the poor poorer.

### Better

The increasing dependence on technology has led to a widening gap between the haves and have-nots, exacerbating the existing rich-poor divide.

### Best

The over-reliance on technology has contributed to a widening gap between the socio-economic classes, exacerbating the existing rich-poor divide.

## SENTENCE #9

### Simple

When cities grow bigger, they start to look and feel the same.

### Better

As urban areas continue to expand, there is a risk of cultural homogenization, as local traditions and customs are replaced by a more globalized culture.

### Best

Urbanization poses a threat to cultural diversity, as local traditions and customs are gradually replaced by a more homogenized global culture.
